Family Happy Hour and "Positive Music Power for Kids" Music Composing Class with Dust of Soul

Join us for an after-school family hang! Kids 5+ will be led by Saskia and Michael of Dust of Soul on a 2 hour intuitive music journey where they will compose a story and song from their very own ideas. The kids will begin by painting an idea, create a story and melody, then compose the music to the melody. The class culminates with a group performance for the parents! Each child will receive a copy of their song to listen to at home.

During the class, parents will enjoy complementary tacos and libations and are encouraged to use the time to reconnect and enjoy a fun date night!
